

Mac Desktop Wallpapers

Thankyou for making the purchase of these 10 Mac Wallpapers designed by me. These can be used by anyone and are freely editable in Canva app.

Click the link given below to
gain access to your desired
templates:

[Click to get directed to your editable
Desktop Wallpaper templates!](#)

Note: You can edit them (if you want) on Canva app (this link will provide you editable templates) and then download them directly from Canva app onto your PC to use as Wallpapers. Happy Beautifying!
